# OVERCOME

Now the darkness fades  
Into new beginnings  
As we lift our eyes to a hope beyond  
All creation waits  
With an expectation  
To declare the reign of the Lord our  
God

We will not be moved  
When the earth gives way  
For the risen One has overcome  
And for every fear  
There's an empty grave  
For the risen One has overcome

Now the silence breaks  
In the name of Jesus  
As the heavens cry let the earth  
respond  
All creation shouts  
With a voice of triumph  
To declare the reign of the Lord our  
God

We will not be moved  
When the earth gives way  
For the risen One has overcome  
And for every fear  
There's an empty grave  
For the risen One has overcome

He shall reign forever  
Strongholds now surrender  
For the Lord our God has overcome  
Who can be against us?  
Jesus our Defender  
He is Lord and He has overcome  
He shall reign forever  
Strongholds now surrender  
For the Lord our God has overcome  
Who can be against us?  
Jesus our Defender  
He is Lord and He has overcome!

From Heaven You can hear  
I know You're drawing near  
As I worship  
Held within Your love  
The wind and waves will come  
But I will stay here

I lift my hands to Heaven  
Here my heart surrendered  
I tell my soul again  
You are Lord of all  
And though the seas are raging  
You will speak and tame them  
In You I find my rest  
You are in control

Through valleys I will trust  
Your spirit is enough, to keep me walking  
You guide my every step  
Speak life to me again  
Lord I need You  
Oh I need You

I lift my hands to Heaven  
Here my heart surrendered  
I tell my soul again  
You are Lord of all  
And though the seas are raging  
You will speak and tame them  
In You I find my rest  
You are in control

I will trust in only You  
No one can add to Your perfection  
You're the beginning and the end  
More than I can comprehend  
There is no one like You  
No one

I lift my hands to Heaven  
Here my heart surrendered  
I tell my soul again  
You are Lord of all  
And though the seas are raging  
You will speak and tame them  
In You I find my rest  
You are in control

## **GOODNESS OF GOD**

I love You Lord  
Oh Your mercy never fails me  
All my days  
I've been held in Your hands  
From the moment that I wake up  
Until I lay my head  
I will sing of the goodness of God

All my life You have been faithful  
All my life You have been so, so good  
With every breath that I am able  
I will sing of the goodness of God

I love Your voice  
You have led me through the fire  
In darkest nights

You are close like no other  
I've known You as a father  
I've known You as a friend  
I have lived in the goodness of God

Your goodness is running after  
It's running after me  
Your goodness is running after  
It's running after me  
With my life laid down  
I'm surrendered now  
I give You everything  
Your goodness is running after  
It's running after me

Further, my brothers and sisters, rejoice in the Lord! It is no trouble for me to write the same things to you again, and it is a safeguard for you. Watch out for those dogs, those evildoers, those mutilators of the flesh. For it is we who are the circumcision, we who serve God by his Spirit, who boast in Christ Jesus, and who put no confidence in the flesh— though I myself have reasons for such confidence.

If someone else thinks they have reasons to put confidence in the flesh, I have more: circumcised on the eighth day, of the people of Israel, of the tribe of Benjamin, a Hebrew of Hebrews; in regard to the law, a Pharisee; as for zeal, persecuting the church; as for righteousness based on the law, faultless.

But whatever were gains to me I now consider loss for the sake of Christ. What is more, I consider everything a loss because of the surpassing worth of knowing Christ Jesus my Lord, for whose sake I have lost all things. I consider them garbage, that I may gain Christ and be found in him, not having a righteousness of my own that comes from the law, but that which is through faith in Christ—the righteousness that comes from God on the basis of faith. I want to know Christ—yes, to know the power of his resurrection and participation in his sufferings, becoming like him in his death, and so, somehow, attaining to the resurrection from the dead.

Not that I have already obtained all this, or have already arrived at my goal, but I press on to take hold of that for which Christ Jesus took hold of me.

We pray over the sick, those who are fighting for their lives. Lord, would you draw near to them and heal them? Would you keep them from infecting others? Would you keep them within your grasp?

**Lord, hear our prayers.**

We pray over medical professionals who are treating the sick, who are searching for a cure. Lord, be kind to them. Grant them your wisdom and your energy. Bless their work as they care for your children. Keep them safe.

**Lord, hear our prayers.**

We pray for the elderly, for children, for those who are more susceptible to infection, for those who are away from home. Lord, would you protect them and look over them. Would you bring your presence close to them? We pray for those mourning, those who have lost loved ones to this virus. Would you comfort them in their time of grief?

**Lord, hear our prayers.**

We pray for those who are without, who have no insurance, who have no money, who are unemployed. Would you provide for them? Would you alleviate their worries and stresses and keep them in your hand? We pray for those who are scared. We pray for those who feel hopeless. We pray for those who wonder where you are. Would you reveal yourself in ways that bring hope and peace to all?

**Lord, hear our prayers.**

We pray for your church - that we would be a glimpse of your wisdom, lovingly guidelines to protect our families and neighbors. May we be a beacon of hope, through our reliance on you. May we be provision for those in need. May we be faithful in times of fear.

**Lord, hear our prayers.**

Lord, will you bless us and keep us? Will you make your face to shine upon us? Will you be gracious unto us and give us your peace?

**Amen.**
